MY PORTFOLIO

JERAMELLE TATAD

I am eager to further develop my skills in programming and gain a deeper understanding of web development through a job opportunity. My goal is to acquire the knowledge and skills needed to excel in this field and make a meaningful impact at the organization or company where I will be working. I am committed to working hard and contributing my abilities to help the company achieve its objectives and goals.

WORK EXPERIENCE

ZIONLAB IT CONSULTANCY - FRONT-END REACT DEVELOPMENT INTERN
MARCH – MAY 2023
During my internship, I had the opportunity to collaborate with a team in designing, developing, and implementing user interface features using ReactJS. Additionally, as a member of the school organization, I provided valuable support in video editing and photo editing.

BISU-Balilihan SSG – ICT Vice President
2021 - 2023
As a member of the school organization, I have provided valuable support in the areas of video editing and photo editing.

Immaculate Mary Academy – Emersion
As an intern, I assisted my employer in completing various paperwork tasks. This included tasks such as data entry, filing, and documentation, which helped to ensure the smooth and efficient operation of the workplace.
